W. **WHEREAS** the parties agree that the foregoing Preambles shall form an integral part of this Contract.

NOW THEREFORE, IN CONSIDERATION OF THE FOREGOING, THE PARTIES HERETO HEREBY AGREE AS FOLLOWS:
I. Basic Principles

1. Entrustment of Organisation of the Games

The IOC hereby entrusts the planning, organising, financing and staging of the Games to the City and the NOC which undertake to fulfil their obligations in full compliance with the provisions of the Olympic Charter and this Contract including, without limitation, all Host City Contract Detailed Obligations referred to in Sections 6 and 69 below and other documents and commitments referred to in this Contract (including all Candidature Undertakings as defined in Section 8 below and the Games Delivery Plan referred to in Section 16 below), all of which, for greater certainty, are hereby incorporated by reference and are deemed to form an integral part of this Contract.

2. Formation of the OCOG

The City and the NOC shall not later than five (5) months following the execution of this Contract, form the OCOG. The OCOG shall be formed as an entity endowed with legal personality under the laws of the Host Country, in a manner which provides for maximum benefit and efficiency with respect to its operations and its rights and obligations under this Contract, including a tax structure which most favourably enables the OCOG to address tax issues on a national and international basis. The City and the NOC shall meaningfully consult with the IOC on all matters relating to the structuring and formation of the OCOG. All agreements and contracting documents relating to the formation, governance and existence of the OCOG, as well as any subsequent changes thereto, shall be submitted to the IOC for its prior written approval. The OCOG shall include, among the members of its board of directors and executive committee (or equivalent bodies), the IOC member or members in the Host Country, the President and the Secretary General of the NOC, an athlete having competed for the Host Country in a recent edition of the Games of the Olympiad or the Olympic Winter Games and at least one member representing, and designated by, the City.

3. OCOG to be made a Party to this Contract

The City and the NOC hereby undertake, within one (1) month after the OCOG’s formation, to cause the OCOG to intervene as a party and adhere to this Contract to the effect that all of the terms and conditions of this Contract relating to the OCOG and all the rights, guarantees, representations, statements, covenants, other commitments and obligations of the OCOG provided for in this Contract shall be legally binding upon the OCOG as if it were an original party hereto, and to forward to the IOC written confirmation thereof. In such regard, the City and the NOC shall require, and shall cause, the OCOG to sign and deliver to the IOC any documents requested by the IOC to effect such intervention and adherence to this Contract by the OCOG.

The OCOG shall ensure that it remains in good standing under the laws of the Host Country and the various documents governing its constitution throughout the duration of this Contract. Prior to the completion of its liquidation, the OCOG shall ensure that it has satisfied all of its financial and other obligations under this Contract, and has taken the following actions:

i. prepared and delivered all reports and other information to this effect; and

ii. established, to the satisfaction of the IOC, a procedure for the handling of any pending or potential legal disputes between the OCOG and any third party.
Further details regarding the OCOG reports and responsibilities are contained in the “Host City Contract Detailed Obligations – Games Management”, the “Host City Contract Detailed Obligations - Information and Knowledge Management” and the “Host City Contract Detailed Obligations – Sustainability and Olympic Legacy”.

4. Joint and Several Obligations of the City, the NOC and the OCOG

The City, the NOC and the OCOG shall be jointly and severally liable for all guarantees, representations, statements, covenants, other commitments and obligations thereunder, whether entered into individually or collectively, whether concerning the planning, organising, financing and staging of the Games, or otherwise, including all obligations deriving from this Contract, provided that the NOC shall not be jointly responsible for the financial undertakings of the City and the OCOG to finance the planning, organising and staging of the Games other than as may be expressly set forth in the City’s application or candidature file or otherwise as part of any Candidature Undertakings (as defined in Section 8 below). To this effect, the City, the NOC (other than with respect to the aforementioned financial undertakings of the City and the OCOG) and the OCOG shall be jointly and severally responsible in respect of all damages, costs and liabilities of any nature, direct and indirect, which may result from a breach of any provision of this Contract. The IOC may, in its sole discretion, take any legal action against the City, the NOC and/or the OCOG, as the IOC deems fit.

The foregoing shall be without prejudice to the liability of any other party, including without limitation, any Government, national, regional or local authorities (the “Host Country Authority” or “Host Country Authorities” as the case may be) that provided financial or other guarantees during the City’s application or candidature to host the Games or otherwise.

5. Ensuring Respect of Commitments Undertaken by the Host Country Authorities

The City, the NOC and the OCOG shall ensure that any and all Host Country Authorities honour and enforce all commitments undertaken by such Host Country Authorities, including all Candidature Undertakings (as defined in Section 8 below), in relation to the Games, including free access into the Host Country for accredited persons on the basis of a passport (or other official travel document) and the Olympic identity and accreditation card (as referred to in the Olympic Charter and further defined in Section 12 below), and also including financial and other support, such as the provision of public services, facilities and utilities in relation to the Games. The City, the NOC and the OCOG hereby guarantee that all other cities that are hosting events of the Games shall fully perform and comply with the terms and conditions of this Contract and shall carry out their obligations related thereto under the supervision and control of the OCOG. The City, the NOC and the OCOG shall be responsible for, and shall ensure, the full compliance by all such other cities with the terms and conditions of this Contract.

6. Evolution of Contents of Host City Contract Detailed Obligations

The City, the NOC and the OCOG shall abide by all terms and conditions set forth in the Host City Contract Detailed Obligations of the IOC referred to in Section 69 below including, for clarity, those Host City Contract Detailed Obligations not expressly referred to elsewhere in this Contract. The Host City Contract Detailed Obligations contain contractual requirements in relation to a specific theme or function in order to assist the City, the NOC and the OCOG with the planning, organising, financing and staging of the Games.
The City, the NOC and the OCOG recognise that, while the contents of the Host City Contract Detailed Obligations which are contained in this Contract, or incorporated by reference, represent the current position of the IOC on such matters, such material may evolve as a result of, policy, technological and other changes (some of which may be beyond the control of the parties to this Contract). The IOC reserves the right to amend such Host City Contract Detailed Obligations, and to issue new Host City Contract Detailed Obligations, subject to Section 7 below.

7. Addressing Amendments or Changes Made Subsequent to the Election of the Host City

The City, the NOC and the OCOG shall adapt to any amendments or changes made by the IOC pursuant to Section 6 (Host City Contract Detailed Obligations), Section 33 (Programme of the Games) and Section 78 (Olympic Charter) below, subsequent to the end of the 128th Session in Kuala Lumpur during which the City was elected, as well as to any change requested by the IOC to the Games Delivery Plan referred to in Section 16 below, so that the Games will be organised in the best possible manner, as determined by the IOC. However, should any party to this Contract believe that any such amendments or changes result in material adverse effects on its financial rights or obligations, it shall so inform the IOC in writing within thirty (30) days of the IOC’s issuance of any such amendment or change, demonstrating such material adverse effects. The IOC shall then negotiate with the concerned party in an effort to address such alleged material adverse effects in a mutually satisfactory manner. If the IOC and such concerned party are unable to reach a mutually agreeable resolution, the concerned party shall have the right to submit the matter to binding arbitration pursuant to Section 89 below.

8. Guarantees, Representations, Statements and Other Commitments

All guarantees, representations, statements, and other commitments contained in the City's application or candidature file as well as all other undertakings executed or commitments made to the IOC, either in writing or orally, in the City's application or candidature file, or by the City's candidature committee (the “Candidature Committee”), the City, the NOC or the Host Country Authorities (collectively, the “Candidature Undertakings”) shall survive and be binding upon the City, the NOC and the OCOG, jointly and severally, subject to Section 4 of this Contract, unless agreed otherwise by the IOC in writing.

The City, the NOC and the OCOG are responsible to ensure that all Candidature Undertakings remain in effect until the completion of the Games and that all appropriate steps are taken to confirm, extend, renew or complete such Candidature Undertakings as may be necessary for the fulfilment of the City’s, the NOC’s and the OCOG’s obligations under this Contract.

The statements made by or on behalf of the City, the NOC or any Host Country Authority contained in the IOC Evaluation Commission report shall also be binding upon the City, the NOC and the OCOG, jointly and severally. Nothing contained in a guarantee, representation, statement or other commitment made by the City, the NOC, the OCOG or the Host Country Authorities in the City’s application or candidature file or otherwise as part of any Candidature Undertakings, which is in conflict with this Contract, including pursuant to any of the Host City Contract Detailed Obligations referred to in Section 6 above, or other documents incorporated by reference herein, or the Olympic Charter, is binding on the IOC, unless any such conflict has been brought to the express attention of the IOC in writing prior to the election of the City and the IOC has expressly agreed in writing to accept any such conflict.
9. **Prior Agreements of No Effect**

Unless specifically requested or approved in writing by the IOC, nothing contained herein shall be construed as the IOC’s consent to, or approval of, any undertaking or agreement concluded, approved or consented to by any of the City, the NOC, the OCOG, or by the Candidature Committee prior to the IOC’s execution of this Contract and having any connection whatsoever with the Games, and such undertakings and agreements shall, as regards the application and implementation of this Contract, be null, void and entirely without effect. The foregoing shall be without prejudice to the Candidature Undertakings referred to in Section 8 above, including without limitation, those made by any Host Country Authority that provided guarantees during the City’s application or candidature to host the Games or otherwise.

10. **Indemnification and Waiver of Claims Against the IOC**

a. **Indemnity by the City, the NOC and the OCOG**

   The City, the NOC and the OCOG shall at all times indemnify, defend and hold harmless and exempt the IOC, all IOC-Controlled Entities (as defined in Section 13a below) and their respective officers, members, directors, employees, consultants, agents, attorneys, contractors (including without limitation Olympic sponsors, suppliers, licensees (of the IOC, the National Olympic Committees and the Organising Committees of the Olympic Games) and Rights-Holding Broadcasters (as defined in Section 54a below)) and other representatives (each, an “IOC Indemnitee” and, collectively, “IOC Indemnitees”), from all payments and other obligations in respect of damages, claims, actions, losses, costs, expenses (including outside counsel fees and expenses) and/or liabilities, of any nature (including injury to persons or property), direct or indirect, suffered by the IOC (or any IOC Indemnitee), including all costs, loss of revenue, and also damages that the IOC (or any IOC Indemnitee) may have to pay to third parties, including without limitation, to Olympic sponsors, suppliers, licensees (of the IOC, the National Olympic Committees and the Organising Committees of the Olympic Games) and Rights-Holding Broadcasters (collectively, “Claims”) resulting from:

   i. all acts or omissions of the City, the NOC and/or the OCOG and their respective officers, members, directors, employees, consultants, agents, contractors, other representatives, and any other person or entity acting under colour of authority of any of the foregoing, relating to the Games (including in connection with the planning, organising, financing and staging thereof) and/or this Contract;

   ii. any claim in respect of taxes owed or owing as a result of any payment made or to be made by the City, the NOC or the OCOG to the IOC or any IOC-Controlled Entity or vice versa; or

   iii. any claim by a third party arising from, or in connection with, a breach by the City, the NOC or the OCOG of any provision of this Contract.

b. **Third Party Claims**

   No admission of liability will be made by the IOC for damages to be paid to third parties arising from Claims made by any third party against the IOC and/or any other IOC Indemnitee. In such a case, the IOC shall permit the City, the NOC and/or the OCOG to manage the defence of the Claim made by such third party against the IOC and/or the relevant IOC Indemnitee provided that the City, the NOC and/or the OCOG acknowledge(s):

   i. the IOC’s right for its (and/or for any other IOC Indemnitee’s) need for continued participation of the IOC in such a claim; and
ii. that the IOC (and/or any other IOC Indemnitee) may decide, at its sole discretion and without this affecting the City’s, the NOC’s and/or the OCOG’s obligations hereunder, not to pursue and/or implement the strategy recommended by the City, the NOC and/or the OCOG for such a defence if the IOC considers that such strategy may materially and adversely affect the interests of the IOC.

c. Waiver of Claims against the IOC

The City, the NOC and the OCOG hereby waive any Claims against the IOC and all other IOC Indemnitees (as defined in Section 10a above), including for all costs resulting from all acts or omissions of the IOC and/or other IOC Indemnitees relating to the Games, as well as in the event of any performance, non-performance, breach or termination of this Contract by the IOC. This indemnification and waiver of Claims shall not apply to any wilful misconduct or gross negligence by the IOC and/or by any other IOC Indemnitee.

d. No Relief from Indemnification

The provision by the IOC of any approval or consent under this Contract shall in no way relieve the City, the NOC and/or the OCOG, as applicable, from third party liability or otherwise derogate from or impair such party’s indemnification obligations set forth in this Section 10. The City, the NOC and the OCOG acknowledge and agree that the IOC may call the City, the NOC and/or the OCOG before any court of law where the IOC is sued, irrespective of the arbitration clause provided for in Section 89 below.

11. Finance-Related Agreements by the City and/or the NOC and/or the OCOG

All agreements entered into by the City and/or the NOC and/or the OCOG relating to or having any effect upon such party’s financial responsibility(ies) with respect to the Games shall be submitted to the IOC for its prior written approval. The NOC’s share of the Joint Marketing Programme Revenues (as such term is defined in the Joint Marketing Programme Agreement referred to in Section 49a below), shall be consistent with what the NOC would otherwise have been entitled to receive from marketing revenues, should the Games not have been held in the Host Country. Notwithstanding the foregoing, should the Joint Marketing Programme Revenues projected in the candidature file not be achieved for any reason whatsoever, the NOC agrees that it will only receive an actual revenue share that is proportionate to the actual Joint Marketing Programme Revenues. However, should the Games generate a surplus of Joint Marketing Programme Revenues, the NOC shall share in such surplus as provided for in Section 45 below.

12. Olympic Identity and Accreditation Card. Working in the Host Country on Olympic-related Business

In accordance with the Olympic Charter, the Olympic identity and accreditation card is a document which confers on its holder the right to take part in the Games. Together with a passport or other official travel document the Olympic identity and accreditation card allows the holder to enter and remain in the Host Country and perform his Olympic function for the duration of the Games, including a period of at least one (1) month before the scheduled commencement of the Games and one (1) month after the conclusion of the Games. The OCOG shall produce and deliver such cards to all persons entitled to them, under the direction and to the full satisfaction, of the IOC. All matters relating to the Olympic identity and accreditation card, including the categories and related prerogatives as well as the terms upon which it is issued or withdrawn, are at the sole discretion of the IOC, and the
OCOG shall act in accordance with all instructions and guidelines provided by the IOC with respect thereto, in particular the terms of the “Host City Contract Detailed Obligations - Accreditations”.

The City, the NOC and the OCOG shall ensure, by coordinating with the competent Host Country Authorities, that the necessary measures are taken so that the application of labour laws and regulations of the Host Country to accredited persons will not prevent or hinder the performance by such accredited persons of their Olympic functions in accordance with the specific needs and requirements of such functions. Further details are contained in the “Host City Contract Detailed Obligations - People Management”.

13. Entry Formalities for Certain Personnel, Goods and Animals

a. Temporary Entry of Games-related Personnel into the Host Country

The City, the NOC and the OCOG recognise that, in relation to the planning, organising, financing and staging of the Games (including Pre-Olympic Test Events, as defined in Section 33 below), it will be necessary to arrange for the temporary entry, before, during and after the Games, of certain personnel (in addition to those persons in possession of the Olympic identity and accreditation card referred to in Section 12 above) into the Host Country, in particular, without limitation, representatives, employees or other persons acting on behalf of the following entities:

i. the IOC;

ii. OBS, OCS, IOC Television and Marketing Services SA, the Olympic Foundation for Culture and Heritage and any other entity, existing at the time of the execution of this Contract or subsequent thereto, owned and/or controlled by the IOC, including their respective subsidiaries or affiliates (an “IOC-Controlled Entity”, or “IOC-Controlled Entities” as the case may be);

iii. the official provider of timing and scoring services and its sub-contractors (the “Official Timekeeper”);

iv. the Rights-Holding Broadcasters (as defined in Section 54a below);

v. the IFs;

vi. the delegations of the participating National Olympic Committees;

The final dates for the holding of the Games, including the number of days of competition and the scheduling of the Opening and Closing Ceremonies, shall be decided by the IOC in consultation with the OCOG.

Prior to the scheduled commencement of the Games, the OCOG shall organise and hold athletic competitions for each sport (including for clarity all disciplines) included in the Programme of the Games at the installations and facilities intended for use during the Games, in order to test the Key Olympic Venues (as defined in Section 35 below) and operations ("Pre-Olympic Test Events"). The OCOG shall submit the proposed schedule of Pre-Olympic Test Events to the IOC for its prior written approval not later than two (2) years before the scheduled commencement of the Games. In accordance with Section 13 above, the OCOG shall arrange for the temporary entry of certain personnel into the Host Country and for the importation of equipment, supplies and other items for purposes of such Pre-Olympic Test Events. The OCOG shall ensure that such personnel obtain all appropriate and necessary work permits, in an expedited and simplified manner, and that all such equipment, supplies and other items can enter the Host Country for purposes of the Pre-Olympic Test Events, in each case without any duties, customs, taxes or similar charges being payable in the Host Country. For purposes of clarification, except as expressly authorised to the contrary in writing by the IOC, the OCOG shall not grant, nor cause to be granted, any sponsorship, promotional, advertising or broadcast rights relating to Pre-Olympic Test Events to any third parties other than Olympic sponsors or Rights-Holding Broadcasters respectively.
34. **Technical Standards for Each Sport**

The City, the NOC and the OCOG shall respect and adhere to the technical standards for each sport, including the provision of adequate and properly equipped sports competition venues and training venues commensurate with Olympic-level competition and the number of athletes expected to participate in the Games, as proposed by the relevant IF and as may be approved by the IOC. Further details regarding this matter are contained in the “Host City Contract Detailed Obligations - Sport” and the “Host City Contract Detailed Obligations - Venues”.

35. **Key Olympic Venues**

The capacity, contents, location, structure (permanent/temporary) and construction schedule of the competition venues and non-competition venues, such as the Olympic village(s), International Broadcast Centre/Main Press Centre and ceremony venues (collectively “Key Olympic Venues”) proposed by the City and the NOC in their application to host the Games may not be modified without the prior written approval of the IOC. In the event of modifications with regard to competition venues, the relevant IF must also be consulted. Further information is contained in the “Host City Contract Detailed Obligations - Venues”.

The OCOG’s plan for such Cultural Programme shall be submitted to the IOC for its prior written approval not later than two (2) years before the scheduled commencement of the Games. The Cultural Programme shall cover at least the entire period during which the Olympic Village(s) is/are open. The OCOG shall reserve sufficient and adequate seating at the events of the Cultural Programme taking place in the City, and in and around other cities that are hosting events of the Games, and shall provide such seating, free of charge, for the IOC stakeholder group as defined in the “Host City Contract Detailed Obligations - Accommodation”.

The OCOG shall also submit to the IOC, for its prior written approval not later than two (2) years before the scheduled commencement of the Games, the programme of all activities, which will take place in the City or the Host Country upon the occasion of the Games ("City Activities"). This shall include the OCOG’s arrangement for location(s) in the City where celebrations, entertainment, the Live Sites (as defined below) and similar activities shall take place in relation to the Games.

Without limiting the generality of the foregoing, the organisation and staging by the City, the NOC or the OCOG of any event in the Host Country at which the Games are broadcast and exhibited (including by means of theatrical media or closed circuit television) in spaces open to the general public and for which the organisers may charge an admission fee to such event ("Live Sites") is subject to the prior approval of the IOC. copyright-protected Games-related Properties referred to in Section 41d above;

iv. all Games-Related Marks and all Intellectual Property Rights and other rights on Games-

use has occurred or is about to occur, the OCOG shall promptly notify the IOC and, upon the IOC’s
request and direction, promptly take all appropriate steps (including any legal or administrative
actions), necessary to prevent or stop such unauthorised use and its recurrence.

b. Actions against Ambush Marketing

The City, the NOC and the OCOG agree to take, at their cost, measures further described in Section

monitoring and response management programme. In this context, “Ambush Marketing” shall be
interpreted as including all intentional and unintentional attempts to create a false or unauthorised
commercial association (whether direct or indirect) with the Olympic Movement or the Olympic Games, in particular any third party’s use of creative means to generate a false association with the Olympic Games, to infringe upon the laws protecting the use of Olympic image and/or to interfere with the legitimate marketing activities of Olympic sponsors/suppliers/licensees.

Actions in the Host Country against unauthorised uses of Olympic Properties, Ambush Marketing and unauthorised Games Broadcast, Coverage and Exhibition shall be taken by the OCOG, at its expense, in consultation with the IOC. Actions outside the Host Country, with respect to the same, shall be taken, at the OCOG’s expense, either by the IOC, in consultation with the OCOG or, subject to the IOC’s request, by the OCOG itself. If the OCOG fails or refuses to take any of the foregoing actions, then, in addition to any of the rights which the IOC shall have under this Contract or otherwise, the IOC may take such action in the OCOG’s name and at the OCOG’s expense.
VIII. Financial and Commercial Obligations

45. Division of Surplus

The OCOG shall, at the time the Games Foundation Plan referred to in Section 16 above is submitted, present to the IOC, for its prior written approval, a statement of the accounting principles which, in accordance with the laws and accepted accounting principles applicable in the Host Country, it proposes to adopt for the purpose of determining the amount of any surplus resulting from the celebration of the Games taking into account the following:

Should the OCOG communicate to the general public a surplus that is greater than the one submitted to the IOC, the surplus communicated to the general public shall be used for the purposes of this Section 45.

Any surplus resulting from the celebration of the Games, as determined on the basis of this Section 45 shall be divided as follows:

The OCOG shall ensure that the ticketing system proposed, including all aspects of distribution (e.g. selection of authorised resellers) is in strict compliance with all applicable laws and regulations and that ticket prices are kept as low as reasonably possible and are established taking socio-economic factors into consideration with the aim of allowing maximum spectator attendance to the sports competitions. The IOC shall have first selection with respect to all its ticket requirements. The cost of such tickets (i.e. face value, tax inclusive) shall be credited against the payment owed to the IOC pursuant to Section 49e below.

The OCOG shall ensure that, for the Opening and Closing Ceremonies of the Games, there is space available in the main stadium, free of charge, for all accredited athletes, team officials and other team personnel. The OCOG shall ensure that a reasonable number of tickets are made available, free of charge, through the National Olympic Committees, particularly to accredited athletes to attend competitions in sports other than their own, to accredited athletes’ guests and to team officials and other team personnel, throughout the full duration of the Games.
48. Propaganda, Advertising and Other Commercial Activities at Venues

The City, the NOC and the OCOG shall ensure that the provisions of the Olympic Charter and of the “Host City Contract Detailed Obligations - Brand Protection” relating to propaganda and advertising (including, without limitation, the “clean venue” provisions of the Olympic Charter) are strictly observed. No Key Olympic Venues (as defined in Section 35 above), or major access points leading to Key Olympic Venues, shall be encumbered during the period in which the Olympic Village(s) (as defined in Section 29 above) is/are required to be open, by any franchise, concession or any other commercial agreement of any kind or nature, including the right to name the venue to promote any third party or third party’s products or services, that would be inconsistent with or cause a breach of any agreement entered into by the IOC or the OCOG, including, without limitation, sponsorship and Broadcast Agreements (as defined in Section 54a below) or the Olympic Charter.

The City, the NOC and the OCOG shall ensure that no propaganda, advertising or commercial identification of any product or services or any promotional matter of any kind (e.g. name, logo, trademark or trade name of any third party) is placed or otherwise appears within or (as detailed below) outside the Key Olympic Venues. This shall include, but not be limited to, any visibility in such a manner so as to be within the view of the television cameras covering the sports at the Games or the Ceremonies (as defined in Section 37 above) or of the spectators watching such sports at the Games or Ceremonies, except as expressly permitted by the Olympic Charter. Also, the City, the NOC and the OCOG shall ensure that no propaganda or advertising is allowed in the airspace over the City and other cities and venues hosting Olympic events, during the period in which the Olympic Village(s) is/are required to be open.

The City shall not engage, and the OCOG shall ensure that other cities hosting Olympic events do not engage, in any marketing, commercial or signage programmes in relation to the Games (or which could be perceived to be associated with the Games) without the prior written approval of the IOC. The City, the NOC and the OCOG shall be responsible for, and shall ensure that there is no breach of these obligations. All appropriate controls to the effect referred to above shall be put into place as soon as possible but, in any event not later than one (1) year after the formation of the OCOG. The City, the NOC and the OCOG shall comply forthwith with any directions given in such regard by the IOC.

49. Marketing Programmes

a. General

In order to assist the City, the NOC and the OCOG to plan, organise, finance, and stage the Games as contemplated in this Contract, the IOC hereby agrees that the OCOG, subject to the terms of the Marketing Plan Agreement referred to in Section 49c below, shall have the right to enter into agreements with third parties, in its own name and on its own behalf, in relation to the local Host Country specific marketing programs and ticketing as described in further detail below in this Section 49. The benefits and rights of the OCOG and the NOC deriving from such agreements are set out in Section 14b above.

b. Joint Marketing Programme

The OCOG shall be bound by the terms and conditions of the joint marketing programme agreement, executed between the City and the NOC prior to the execution of this Contract, as approved by the IOC (“Joint Marketing Programme Agreement”). This Joint Marketing Programme Agreement shall serve to combine all of the marketing and commercial rights of the OCOG and the NOC, unencumbered by any option or prior grant, for the period commencing on 1st January 2017 and ending on 31st December 2024. Signature of the Joint Marketing Programme Agreement by the NOC
shall constitute a warranty by the NOC that it shall cause all National Federations and the National Paralympic Committee in the Host Country to comply with and be bound by the Joint Marketing Programme Agreement and their respective obligations as set forth therein.

c. Marketing Plan Agreement

Pursuant to the Joint Marketing Programme Agreement referred to in Section 49b above, the IOC and the OCOG shall execute a marketing plan agreement as prepared by the IOC, not later than 31st December 2016 ("Marketing Plan Agreement"). This Marketing Plan Agreement shall address all elements of the marketing plan in relation to the Games as developed by the OCOG, in consultation with the IOC, and as approved by the IOC. For the avoidance of doubt, no commercial activity whatsoever may be commenced by the City, the NOC or the OCOG (or any person or entity acting under colour of authority of any of the foregoing) prior to the full execution of the Marketing Plan Agreement. The City, the NOC and the OCOG hereby agree not to participate in, or allow (and the OCOG shall ensure that the Host Country Authorities do not participate in or allow) any marketing or commercial activities relating to the Games, directly or indirectly, other than as expressly permitted by the Marketing Plan Agreement. Further details are contained in the “Host City Contract Detailed Obligations - Business Development”.

d. Avoiding Ambush Marketing

The City, the NOC and the OCOG acknowledge the importance of protecting the rights granted to Olympic sponsors, Rights-Holding Broadcasters and other commercial partners (including sponsors, suppliers and licensees) and, to this effect and, in accordance with Section 44b above, the City, the NOC and the OCOG agree to take all necessary steps, at their cost (including developing and implementing a programme in relation to the prevention of Ambush Marketing activities and the taking of legal recourse, if appropriate), to prevent and/or terminate any Ambush Marketing or any unauthorised uses of any Olympic Properties or other Games-related properties (in particular the properties listed in Section 41d above), and at all times to consult and cooperate with the IOC in connection therewith. The OCOG shall present the IOC with a detailed Ambush Marketing prevention plan, in accordance with the terms of the Marketing Plan Agreement and the “Host City Contract Detailed Obligations - Brand Protection”, and shall comply with all other terms and conditions set forth therein.

Without restricting the generality of the foregoing, the City, the NOC and the OCOG shall ensure that there are no other marketing, advertising or promotional programmes in the Host Country. For example, they shall ensure that no marketing, advertising or promotional programmes organised by one or more national federations, the National Paralympic Committee, sports organisations or any other public or private entity in the Host Country shall refer to the Games, any Olympic team or the year of the Games, or imply any connection with the Games, any Olympic team or the year of the Games. The City shall ensure that no sponsorship or marketing rights identified with the City, any of its agencies, agents or any entity of which it may form part of or on which it is represented, the Games or the period in which the Games will be held, shall be granted without the prior written approval of the IOC.
e. Payments to the IOC
Subject to Sections 49f, 49g and 49h below, the OCOG shall pay to the IOC in cash, an amount equal to:

i. seven and a half percent (7.5%) of the cash consideration;

ii. five percent (5%) of the value-in-kind or other forms of consideration (e.g. goods or services), of all gross revenues derived from all contracts pertaining to the Marketing Plan Agreement (referred in Section 49c above) and the Joint Marketing Plan Agreement (referred in Section 49b above) or containing any element of commercial exploitation of the emblem, mascot(s) or designations of the Games or relating to the Games in any way; and

iii. seven and a half percent (7.5%) of the gross revenues generated from all forms of ticket sales pertaining to the Games.

f. International Programme, Worldwide Suppliership Programme and Worldwide Licensing Programme
In consideration of the importance to the Olympic Movement of long term Olympic sponsorship, the City, the NOC and the OCOG acknowledge and agree that the IOC will implement a worldwide sponsorship programme, currently known as the “TOP Programme”, and/or any other international Olympic marketing programme as decided by the IOC, as well as a worldwide suppliership programme and a worldwide licensing programme relating to the Games (collectively the “International Programme”), which will take precedence over all other marketing programmes, including the Joint Marketing Programme Agreement and the Marketing Plan Agreement. The City, the NOC and the OCOG undertake to fully participate in such International Programme, and to procure all such rights, with a view to facilitate the sponsors of any International Programme, in achieving their goals and commercial objectives in the Host Country. Pursuant to its obligation to fully participate in any International Programme, each of the OCOG, the City and the NOC undertakes to satisfy any and all of its requirements for products and services falling into the product/service categories of sponsors of any International Programme from the respective sponsor of the International Programme and otherwise adhere to, and fully cooperate with the IOC in its discharge of obligations under, any and all agreements relating thereto. The terms of Section 49e above shall not apply to product and service categories included in and forming part of the International Programme.

The City, the NOC and the OCOG hereby acknowledge and agree that the following amounts shall be deducted from the International Programme, gross receipts before the division of revenues set forth Section 14b sub-paragraph v) above:

i. all costs related to the management and administration of the International Programme, including the costs of the general marketing support provided by the IOC or by a third party designated by the IOC; and

ii. any fees charged by the IOC, in its sole discretion, in consideration of its services required to ensure the successful delivery of the OCOG’s domestic programme and the International Programme.

Further details are contained in the “Host City Contract Detailed Obligations - Marketing Partner Services”.

g. Coin and Banknote Programmes of the Host Country
The Olympic coin and banknote programmes of the Host Country, including the number and type of coins and banknotes included in such programmes, shall be subject to the prior written approval of the
IOC. The IOC’s share of revenue from any Olympic coin and banknote programmes of the Host Country shall be established in greater detail in the Marketing Plan Agreement but, in principle, shall be three percent (3%) of the face value of coins and banknotes from the circulating programme and three percent (3%) from the commemorative programme of the price to dealers of all coins and banknotes where the Mint (as defined in the Marketing Plan Agreement referred in Section 49c above) has no retail operations (and if the Mint has retail operations, three percent (3%) of the retail price). For the sake of clarity, in case the Olympic coin and banknote programmes of the Host Country are implemented outside of the Host Country (subject to the approval of and under the conditions determined by the IOC), the National Olympic Committees in the territory of which these programmes are implemented shall also be entitled to an additional separate share. The detailed financial terms of the Olympic coin and banknote programmes of the Host Country shall be in accordance with the Marketing Plan Agreement. Section 49d above shall not apply to the coin and banknote programmes of the Host Country.

h. Stamp Programme of the Host Country:
The Olympic stamp programme of the Host Country, including the number and type of stamps and all philatelic products included in such programme, shall be subject to the prior written approval of the IOC. The detailed financial terms of the Olympic stamp programme of the Host Country shall be in accordance with the Marketing Plan Agreement referred in Section 49c above but, in principle the shares of revenue from the Olympic stamp programme shall be:

i. to the IOC, one percent (1%) of the retail sales value (gross sales) of all stamps within the programme sold for collection, and of all value-added philatelic products (such as postal numismatic products, prestige booklets, albums, collections etc.); and

ii. to the OCOG, nine percent (9%) of the retail sales value (gross sales) of all stamps (not including stamps featuring athletes who have competed in the Games) sold for collection, and first day covers, maximum cards and other similar traditional philatelic products and fifteen percent (15%) of the retail sales value (gross sales) of all stamps featuring athletes who have competed in the Games sold for collection, and other philatelic products.

i. IOC Coins, Banknotes, Stamps and Medals Programmes

The City, the NOC and the OCOG hereby acknowledge that the IOC has the right to introduce its own coin, banknote, stamp and medal programmes (for its own account), and each such party confirms that no objection shall be made to such programmes and that such coins, banknotes, stamps and medals may be sold in the Host Country on the same terms and conditions as in other countries. The IOC, the NOC and the OCOG shall exercise cooperation with regard to their respective coin, banknote, stamp and medal programmes.
50. Taxes

a. Payments to be Received by the IOC or Certain Third Parties

The City and/or the OCOG shall bear all taxes, including direct and indirect taxes, whether they be withholding taxes, customs duties, value added taxes or any other indirect taxes, whether present or future, due in any jurisdiction of the Host Country on a payment to be made to:

i. the IOC;

ii. any IOC Controlled Entity (as defined in Section 13a sub-paragraph i) above); or

iii. the Official Timekeeper (as defined in Section 13a sub-paragraph ii) above),

with respect to the revenues generated in relation to the Games. In particular, if a withholding tax, a value added tax or any other indirect tax is due in any jurisdiction of the Host Country on a payment to be received by the IOC or any of the above-noted third parties pursuant to this Contract and/or pursuant to an agreement with an Olympic sponsor, Rights-Holding Broadcaster (as defined in Section 54a below), sub-contractor or other commercial partner, the payment shall be increased and paid by the City or the OCOG (or applicable obligor) so that the IOC or such third party, after the applicable tax, receives an amount that equals the amount it would have received had there been no such tax. The City and the OCOG shall indemnify the IOC or such third party, as applicable, for any direct taxes and/or indirect taxes that could be borne by the IOC or such third party in the Host Country, so that if the IOC or such third party is liable for the payment of direct taxes and/or indirect taxes in the Host Country, it shall be put in the same situation as if such direct and/or indirect taxes had not been due.

b. Payments to be Made by the IOC or Certain Third Parties

The City and/or the OCOG shall bear all taxes, whether they be withholding taxes, customs duties, value added taxes or any other indirect taxes, whether present or future, due in any jurisdiction of the Host Country, on a payment to be made by:

i. the IOC;

ii. any IOC Controlled Entity (as defined in Section 10 above); or

iii. the Official Timekeeper (as defined in Section 13a sub-paragraph iii) above),

with respect to the revenues generated in relation to the Games, including without limitation pursuant to any agreement with an Olympic sponsor, supplier, licensee, Rights-Holding Broadcaster (as defined in Section 54a below), sub-contractor or other commercial partner. The amount of any payment to be made by the IOC or any of the above-noted third parties pursuant to this Contract shall not be increased by any taxes due on such payment. If the IOC or such third party is liable for the payment of such tax, the net payment received by the City, the NOC or the OCOG shall be reduced by an amount corresponding to such tax or, if the payment to the City, the NOC or the OCOG has already been made, the tax subsequently paid by the IOC or such third party shall be reimbursed in full to the IOC or such third party by the City, the NOC or the OCOG, as the case may be.

c. Athletes’ Performances

The City and the OCOG shall ensure that either

i. there shall not be any taxes imposed in the Host Country upon the athletes non-residents in the Host Country in relation to any financial or other rewards received by the athletes as a result of their performance at the Games; or
ii. should any such taxes be imposed in the Host Country, the financial or other rewards shall be increased and paid by the OCOG so that the athletes non-residents in the Host Country, after the applicable taxes, receive an amount that equals the amount they would have received had there been no such taxes.

d. Carrying out Olympic Functions

The City and the OCOG shall cause, and shall obtain written confirmation from the competent Host Country Authorities, that the following non-residents of the Host Country shall be exempted, to the satisfaction of the IOC, from income tax and any other tax related to the income derived from their activities in the Host Country in connection with the Games:

i. employees, officers, members or other representatives of the IOC or of any IOC-Controlled Entity (as defined in Section 10) and other individuals providing services under contract with the IOC or any IOC-Controlled Entity;

ii. official registered support staff associated with teams from countries other than the Host Country;

iii. persons (both individuals and bodies corporate) serving as judges, referees and other Games officials, including without limitation the representatives, employees or other persons acting on behalf of the Official Timekeeper, IFs and other organisations recognised by the IOC;

iv. accredited foreign media organisations and their employees, officers, members or other representatives and other individuals providing services under contract with these organisations; and

v. accredited employees, officers, members or other representatives of the Rights-Holding Broadcasters (as defined in Section 54a below) and Olympic sponsors/suppliers/licensees.

Furthermore, every person who makes a payment to the above non-residents of the Host Country in connection with their Games-related activities shall be exempted from withholding obligations in respect of such payment. For the sake of clarity, it is acknowledged by the parties that the purpose of this clause is to ensure that persons residing temporarily in the Host Country to carry out Olympic functions are not subject to tax obligations in multiple jurisdictions. The OCOG and the City further acknowledge that a written declaration from the employer, or the responsible organisation, confirming that an individual (or a group of individuals) remains subject to the tax regime of such individual's (or individuals') country of origin shall be considered as sufficient evidence for the purpose of this clause.

e. Entities Providing Goods and Services in Relation to the Games

The City and the OCOG shall ensure, to the satisfaction of the IOC, that all IOC-Controlled Entities (as defined in Section 13a above) and partners of the International Programme (as defined in Section 49f above) and other IOC suppliers or licensees and Rights-Holding Broadcasters (as defined in Section 54a below) providing goods and services in relation to the Games are exempted from any and all indirect taxes, whether present or future, including, without limitation, withholding taxes, value added taxes, business tax and/or custom duties, due in any jurisdiction of the Host Country, arising out of or in connection with their activities as IOC-Controlled Entities, partners of the International Programme, IOC suppliers or licensees, or Rights-Holding Broadcaster. For clarity, the Parties agree that this Section 50e shall not apply to goods and services sold by the above-listed entities to the general public in the Host Country.
f. **Coordination with the Host Country Authorities**

The City and the OCOG shall ensure - by coordinating with competent Host Country Authorities - that the application of the exemptions and other benefits provided under this Section 50 respect the following principles:

i. with respect to indirect taxes (e.g. value added tax), the exemptions provided under Sections 50b and 50e above shall not undermine the level of possible input tax recovery, meaning that all input tax shall be refundable without limitation (exemption with credit); and

ii. the exemptions and other benefits granted under Sections 50a and 50d above shall not be dependent upon the concerned persons or legal entities registering with the Host Country Authorities as taxpayers in Host Country

Such amendments must be in force not later than three (3) years before the scheduled commencement of the Games.

g. **IOC and OCOG to Cooperate**

While the City and/or the OCOG shall bear all taxes as provided for above, the IOC agrees:

i. to cooperate with the OCOG to help reduce any tax impact on the City and the OCOG by discussing with the OCOG appropriate and reasonable steps (including the restructuring of the contractual relationship) in order to avoid or minimise such taxes, to the fullest extent permitted by law; and

ii. to consider in good faith addressing situations, in which the OCOG believes that the terms of this Section 50 lead to unforeseen or undue hardship on itself, within the meaning of Section 73 below, provided that, in any event, the IOC or IOC-Controlled Entities (as defined in Section 13a above) shall have no obligation to enter into any such alternative arrangement, or do any act or omit to do any act which would materially prejudice its own legal, tax, commercial or financial position.

51. **General Retention Fund, Liquidated Damages, IOC’s Rights to Withhold and Set-off in the Event of Non-Compliance**

a. **General Retention Fund**

Five percent (5%) of any and all sums of money payable to the OCOG pursuant to Section 14b sub-paragraph v) above in relation to the International Programme referred to in Section 49f above shall be paid into a general retention fund maintained and controlled by the IOC (the "**General Retention Fund**"). The IOC shall determine the application of the General Retention Fund in relation to the planning, organising, financing and staging of the Games and the obligations of the OCOG in respect thereof. The General Retention Fund may be used by the IOC in its sole discretion to satisfy amounts due to the IOC by the City, the NOC and/or the OCOG, including without limitation, on account of any non-compliance by the City, the NOC and/or the OCOG with this Contract and any indemnification obligations to the City, the NOC and/or the OCOG hereunder, as further provided in Section 10 above.

b. **Withholding of all Funds in the General Retention Fund in Case the Games do not Take Place in the City**

Without prejudice to the foregoing, and without prejudice to any other right and recourse of the IOC pursuant to this Contract or the Olympic Charter or otherwise, including the IOC’s right to claim for specific performance of the obligations and/or compensation for any damages incurred, if, due to any
cause directly or indirectly attributable to the City, the NOC or the OCOG in the performance or non-
performance of their obligations pursuant to this Contract, the Games do not take place in the City as
contemplated herein, any and all amounts held in the General Retention Fund, including interest, shall
be retained by the IOC, without further notice for its own account as liquidated damages, without
prejudice to any additional claim by the IOC for specific performance or any other compensation, as
the case may be.

c. Remedies in Case of Breach of any Obligation under this Contract

Without prejudice to the foregoing, and without prejudice to any other right and recourse of the IOC
pursuant to this Contract, the Olympic Charter or otherwise, including the IOC’s right to claim for
specific performance of the obligations and/or compensation for any damages incurred, in the event of
any non-compliance by the City, the NOC or the OCOG of any of their obligations pursuant to this
Contract, the IOC shall also be entitled (i.e. in addition to retaining all amounts held in the General
Retention Fund) to withhold all or any portion of any payment due or grant to be made to the OCOG,
including any sums of money payable to the OCOG in relation to the International Programme. The
amounts to be thus withheld pursuant to Section 51b above shall be determined by the IOC in its sole
discretion, provided however that the overall total of all amounts withheld pursuant to Section 51b
above may not exceed twenty five percent (25%) of the total amount of any and all payments due or
grants to be made to the OCOG. The IOC shall be entitled to exercise its right to withhold such
amounts for so long as any non-compliance has not been remedied in full, through compliance or
payment of damages, in each case as determined by the IOC in its sole discretion.

The IOC shall also be entitled, at its discretion, and without prejudice to any other right and recourse
of the IOC pursuant to this Contract or the Olympic Charter or otherwise, including the IOC’s rights to
claim for specific performance and actual damages incurred, to keep any and all amounts thus
withheld, including interest, as liquidated damages without further notice.

d. IOC’s Right to Set-off Obligations

Without prejudice to the foregoing and without prejudice to any other right and recourse of the IOC
pursuant to this Contract, the Olympic Charter or otherwise, including the IOC’s right to claim for
specific performance and actual damages incurred, and in addition to the right to withhold set out in
Section 51b, the IOC shall be entitled to set-off any and all of its obligations pursuant to this Contract
against any claim against either or all of the City, the NOC and/or the OCOG for any damages
resulting from any non-compliance by any such party(ies). The IOC shall also be entitled to exercise
its right to set-off against any sums held in the General Retention Fund set out in Section 51a above
or otherwise withheld pursuant to Section 51b above.

e. IOC’s Right to Perform in City, NOC or OCOG Obligations

Without prejudice to the foregoing, and without prejudice to any other right and recourse of the IOC
pursuant to this Contract or the Olympic Charter or otherwise, including the IOC’s right to claim for
specific performance and actual damages incurred, if the City, the NOC or the OCOG do not carry out
their obligations pursuant to this Contract in a timely manner, the IOC shall be entitled to do so at the
cost of the City, the NOC or the OCOG (including a fee for the IOC’s services in the performance of
such obligations), after giving them reasonable notice. Any such costs or fees may, without prejudice
to any other right or recourse available to the IOC pursuant to this Contract or otherwise, be recouped
by the IOC against any sums held in the General Retention Fund set out in Section 51a above or
otherwise withheld by the IOC pursuant to Section 51b above.

f. Release of Withheld Funds

Following the conclusion of the Games, after presentation of the final accounting by the OCOG
pursuant to Section 3 above and the resolution of any outstanding disputes which affect the IOC, all
amounts then actually held in the General Retention Fund pursuant to Section 51a above or otherwise withheld pursuant to Section 51b above (in each case to the extent not previously applied by the IOC in satisfaction of obligations of the OCOG and/or the City to the IOC or otherwise applied as liquidated damages), shall be released to the OCOG.

52. Payments by the IOC on Behalf of the National Olympic Committees

The National Olympic Committees shall not be required to pay any guarantee deposit with respect to their stay in the Olympic Village(s) (as defined in Section 29 above) and other appropriate accommodations. If the National Olympic Committees do not meet their financial obligations to the OCOG with respect to their stay in the Olympic Village(s) and other appropriate accommodations, the IOC, upon the request of the OCOG, may – but is not obligated to - make the appropriate payments on behalf of the National Olympic Committees and deduct such sums from the consideration otherwise payable by the IOC Olympic Solidarity Programme to the concerned National Olympic Committees.
IX. Media Coverage of the Games

53. Freedom of Reporting, Independence of the Host Broadcaster of the Games

The OCOG must coordinate with the competent Host Country Authorities to ensure that:

i. for the period starting with the opening of the International Broadcast Centre and of the Main Press Centre (approximately eight (8) weeks prior the scheduled commencement of the Games) until the end of the Paralympic Games, there shall be no restrictions or limitations on (a) the freedom of the media to provide independent news coverage of the Games and Paralympic Games as well as related events, and (b) the editorial independence of the material broadcasted or published by the media; and

ii. during its entire presence in the Host Country for the purposes of the Games, OBS (including OBS personnel) shall be permitted to carry out its host broadcasting and any other Games-related activities in full independence and without any obligation, arising from the legislation of the Host Country or otherwise, to change its corporate structure, including in relation to setting up a permanent establishment or any kind of corporate structure in the Host Country or allowing any form of participation by any Host Country structures, or by other local stakeholders, into its corporate, management or supervisory structures.

54. Broadcast Agreements

a. Exclusive Rights of the IOC to Conclude and Negotiate Agreements in Relation to the Games Broadcast, Coverage and Exhibition

The City, the NOC and the OCOG agree that, in accordance with Section 41a above, the Games, including, without limitation, all competitions included in the Programme of the Games (as defined in Section 33 above) and all Games-related programmes, Ceremonies (as defined in Section 37 above) and events are the exclusive property of the IOC, which owns all rights and data relating thereto, in particular, and without limitation, all rights relating to the distribution, exhibition, broadcast, transmission, retransmission, display, projection or performance of an audio or audio-visual programme of the Games (including any competition included in the Programme of the Games, any Ceremony and/or any other Games-related event), by means of all forms of broadcast and exhibition media now or hereafter existing (e.g. downloading or streaming, IPTV, home video, video-on-demand, mobile platform rights, television, theatrical, closed-circuit, etc.) (the “Games Broadcast, Coverage and Exhibition”).

The term “Rights-Holding Broadcasters” shall refer to companies, unions or pools which have, directly acquired from the IOC Games Broadcast, Coverage and Exhibition rights, within a territory(ies) during a given period of time, including without limitations, media subsidiaries and permitted sublicensees of such entities.

All agreements relating to the Games Broadcast, Coverage and Exhibition (“Broadcast Agreements”), shall be negotiated and concluded exclusively by the IOC. It is expressly understood that all decisions relating to the conduct and conclusion of the negotiations with respect to, and to the contents and execution of all Broadcast Agreements, including all basic facilities, services and other requirements to be provided by the OCOG, rest within the exclusive competence of the IOC. None of the City, the NOC or the OCOG shall make, or authorise any third party to make, any statement relating to such negotiations or agreements without the prior written approval of the IOC. None of the
City, the NOC or the OCOG shall, nor shall have any authority to, enter into any agreement with any third party (including without limitation any Rights-Holding Broadcaster) that either relates to the Games Broadcast, Coverage and Exhibition or otherwise impacts the rights licensed by the IOC to Rights-Holding Broadcasters.

b. Adherence with the Terms of all Broadcast Agreements

The OCOG shall adhere to the terms and conditions of all Broadcast Agreements entered into, or to be entered into, by the IOC with respect to the Games. At the request of the IOC, the OCOG shall also fully cooperate and assist the IOC in connection with the effective discharge by the IOC of its obligations under all such Broadcast Agreements and the effective and timely delivery of all benefits and entitlements to the Rights-Holding Broadcasters thereunder including, without limitation, promotional support, accommodations, accreditations and tickets) and all services and facilities contemplated in Section 55 below.

c. Music

In accordance with Section 41e above, the OCOG shall provide, not later than ninety (90) days before the scheduled commencement of the Games, to the IOC, OBS and, at the IOC’s request, each of the Rights-Holding Broadcasters (as defined in Section 54a above), a list of all musical compositions and artistic performances which will be taking place as part of the Games and shall be responsible for obtaining all rights and clearances and make all payments which have or may become due in connection with such musical compositions and artistic performances at the Key Olympic Venues.

d. Legal Action

In accordance with Section 44c above, to the extent required by the IOC, the OCOG shall participate, at its expense, in any legal action, whether within the Host Country or outside the Host Country, brought by the IOC and/or any Rights-Holding Broadcasters against third parties in respect of any unauthorised Games Broadcast, Coverage and Exhibition. In the event that any unauthorised Games Broadcast, Coverage and Exhibition, including, without limitation, any unauthorised display of video over the internet or mobile platforms and similar technologies or by means of any other form of broadcast media now or hereafter existing, whether simultaneous or delayed, in whole or in part, has occurred or is about to occur within the Host Country, the OCOG shall:

i. at the IOC’s request and direction, promptly take all reasonable steps necessary to prevent and/or stop such unauthorised Games Broadcast, Coverage and Exhibition (or any other act which infringes on the IOC’s legal rights and those of its exclusive Rights-Holding Broadcasters, including, without limitation, informing the broadcast organisation or entity responsible for such unauthorised use that such use infringes upon the rights of the IOC and those of its exclusive Rights-Holding Broadcasters; and

ii. cause the competent Host Country Authorities to take appropriate action to prevent or stop such unauthorised Games Broadcast, Coverage and Exhibition.

Actions in the Host Country, with respect to any unauthorised Games, Broadcast Coverage and Exhibition, shall be taken by the OCOG, at its expense. In accordance with OCOG’s obligations described in Section 44c above, at least two (2) years prior to the scheduled commencement of the Games, the OCOG shall submit to the IOC for its approval an online piracy prevention plan detailing the applicable legal framework, as well as the judicial or administrative mechanisms to be implemented in the Host Country during the Games, in order to prevent and stop unauthorised Games Broadcast, Coverage and Exhibition.
55. Facilities and Services for the Broadcasting of the Games

The City, the NOC and the OCOG acknowledge and accept the importance of ensuring the highest broadcast quality of the Games and the widest possible worldwide audience for the Games, and in that respect agree with the following:

i. OBS shall be entrusted by the IOC with, and shall exercise at IOC/OBS’ cost (subject to the OCOG’s obligations further defined in sub-paragraph ii) below) all responsibilities of host broadcaster of the Games, in particular the production of the international television and radio signals and the provision of certain facilities and services necessary for the Games Broadcast, Coverage and Exhibition by Rights-Holding Broadcasters (as defined in Section 54a above);

ii. notwithstanding Section 55 sub-paragraph i) above, the OCOG shall remain responsible for providing, at its expense, certain venues, facilities, services, and other entitlements as described in further detail in this Contract, including the “Host City Contract Detailed Obligations - Media - Broadcasting” and other Host City Contract Detailed Obligations as may be applicable, and/or in the Broadcast Agreements, and for cooperating with, and providing assistance to, the Rights-Holding Broadcasters in connection with the Games Broadcast, Coverage and Exhibition. The details of all such requirements will be further set out in an agreement, subject to the prior written approval of the IOC, to be entered into between the OBS and the OCOG, which shall be entered into not later than one (1) year following the formation of the OCOG. It is the OCOG’s obligation to fully cooperate with OBS in accordance with all instructions of the IOC;

iii. all such above-mentioned venues, facilities, services and other entitlements to be provided by the OCOG to the Rights-Holding Broadcasters for their use, as well as the general infrastructure for the Games Broadcast, Coverage and Exhibition pursuant to Section 55 sub-paragraph ii) above, shall be provided free of charge by the OCOG unless expressly specified otherwise in the “Host City Contract Detailed Obligations - Media - Broadcasting”. In the latter case, the prices shall be set out in a rate card, subject to the prior written approval of the IOC, as stated in further detail in Section 62 below. It is understood that, subject to the prior written approval of the IOC, OBS may charge the Rights-Holding Broadcasters for certain facilities and services at prices to be stipulated in the above-noted rate card. In accordance with Section 50a above, financial transactions arising from the foregoing (i.e. the rate card) shall not be subject to tax of any kind in the Host Country;

iv. in the event that OCOG fails to secure a temporary power solution as per the set milestones and to the satisfaction of the IOC and OBS, then the IOC may decide to take all necessary measures, which may include the appointment of a temporary power provider at the OCOG’s expense;

v. pursuant to the applicable Broadcast Agreement(s), the OCOG may be required, at the request of the IOC, to enter into one or more agreements, and it shall enter into such agreement(s) directly with the applicable Rights-Holding Broadcasters with respect to the provision of certain facilities and services and certain marketing events;

vi. all contracts between the OCOG and telecommunication company(ies) or any broadcasting organisation, concerning any services or facilities which involve costs to be paid by the media, which are not fully addressed by the above-mentioned rate card, shall be submitted to the IOC for its prior written approval;
vii. in accordance with Section 42e above, all international television and radio signals (including sound and/or picture and the presence of graphics on the feeds, as applicable) as well as all other material and data related to the Games produced or distributed by, or on behalf of, OBS shall be protected by means of copyright registration or similar protections, to the satisfaction of the IOC and copyright notices shall be inserted as may be required by the IOC or OBS;

viii. in accordance with Section 65 below, the Olympic Results and Information Services to be produced by the OCOG shall be made available to Rights-Holding Broadcasters, through OBS, at the OCOG’s cost;

ix. the OCOG shall cooperate with the IOC, OBS, OCS and Rights-Holding Broadcasters for the exposure and promotion of the Games Broadcast, Coverage and Exhibition by Rights-Holding Broadcasters and their recognition by appropriate means, as determined by the IOC. In addition, the OCOG shall cooperate with the IOC for the promotion of the Olympic Movement and the Games Broadcast, Coverage and Exhibition on the Olympic Channel and on any year-round media platform as indicated by the IOC.

56. Press Facilities and Services

The OCOG shall make available, at its expense, the venues, facilities, services and other requirements for the written and photographic press at the Games, as set forth in the “Host City Contract Detailed Obligations - Media - Press” and other Host City Contract Detailed Obligations as may be applicable. All such facilities, services and other requirements for the written and photographic press for their use shall be provided free of charge by the OCOG unless expressly specified otherwise in the “Host City Contract Detailed Obligations - Media - Press”. In the latter case, the prices shall be set out in a rate card, subject to the prior written approval of the IOC, as stated in further detail in Section 62 below.

In accordance with Section 65 below, the Olympic Results and Information Services to be produced by the OCOG, shall be made available, by the OCOG, to the international news agencies recognised by the IOC, accredited media, IFs, National Olympic Committees and other persons and entities designated by the IOC.

57. Official Film of the Games

The OCOG shall have the responsibility of ensuring that an official motion picture of the Games (“Official Film”) is produced and exploited to the satisfaction of the IOC and subject to its final approval. The OCOG should follow all IOC requirements in relation to the Official Film, as set forth in the “Host City Contract Detailed Obligations - Information and Knowledge Management” and other IOC guidelines or instructions. All Intellectual Property Rights in and to the Official Film shall immediately and automatically vest and remain in full ownership of the IOC, in accordance with Sections 41a and 41d above.
58. **Internet, Mobile Platform and Other Forms of Media or Communication**

The City, the NOC and the OCOG agree that the conclusion of any agreement with regards to Internet and mobile communications relating to the Games including, without limitation, those related to e-commerce, on-line ticket sales, on-line merchandising, interactive media service and/or the distribution of Games-related media content via any digital media platform, network or service (such as public-facing website, mobile properties, mobile applications and activations or social media platforms), as well as any other forms of media, communication and exhibition now existing or hereafter devised (such as multimedia or interactive) are subject to the prior written approval of the IOC.

Without limiting the generality of the foregoing, the IOC may, at its sole discretion, agree that the OCOG have its own Internet website(s) subject to the IOC and the OCOG mutually agreeing upon the content of such website(s) and the sharing of any revenues deriving therefrom. All content and features of such website, in particular all social media integration and activities or use of the Olympic archives (including notably archival video, archival photos and results) are subject to the prior written approval of the IOC. Further details regarding this matter are contained in the "Host City Contract Detailed Obligations - Digital Media" and the "Host City Contract Detailed Obligations - Communications".
X. Other Obligations

59. Official Publications, Issue of Press Releases by the City, the NOC or the OCOG

All official publications, including OCOG programmes and brochures (e.g. medical, technical and media brochures and site plans of the venues) shall be submitted by the OCOG to the IOC for its review before they are printed or distributed in any form and, in conformity with Section 48 above and unless the IOC otherwise approves, shall contain no advertising or propaganda of any kind. The City, the NOC and the OCOG agree, and shall ensure, that all press releases issued by the City, NOC and/or the OCOG which quote or refer to the IOC President, members of the IOC or the IOC administration shall be submitted to the IOC for its prior written approval.

60. Insurance

The OCOG shall secure and maintain, well in advance of the scheduled commencement of the Games and for a reasonable time after the conclusion of the Games, at its expense, adequate insurance coverage in respect of all risks associated with the planning, organising, financing, staging and host broadcasting of the Games. Furthermore, if the OCOG plans to acquire cancellation insurance in relation to the Games, the OCOG shall give the IOC the option to include the OCOG in the IOC’s insurance programme. Further details regarding insurance of the Games are contained in the “Host City Contract Detailed Obligations - Finance”. The OCOG agrees that additional, or specific insurance requirements may be issued by the IOC in other Host City Contract Detailed Obligations (as referred to in Section 6 above) and that the insurance coverage with regard to the host broadcasting operation of the Games shall extend to all means necessary or adequate for a first-class international-standard production of an international sports event and shall be further detailed in the agreement to be entered into between the OCOG and OBS pursuant to Section 55 sub-paragraph ii) above.

61. Betting and Manipulation of Games Competitions

The City, the NOC and the OCOG shall not, directly or indirectly, participate in, support or be supported by any sport betting in relation to the Games.

The City, the NOC and the OCOG, in collaboration with the Host Country Authorities, shall support the IOC in ensuring that the integrity of sport is fully protected, with regards to any betting activities on the Games or manipulation of competitions. For this purpose, the City, the NOC and the OCOG shall ensure that the Host Country Authorities take the necessary steps to facilitate the relations of the IOC with all competent law enforcement agencies, the national authorities in charge of sports integrity and/or gambling on sport and the national betting operator(s).
62. Rate Card Prices

The OCOG shall ensure that the rate cards (or directory of services) are conceived and implemented as cost-recovery rather than profit-generating mechanisms and, consequently, that the prices contained in such rate cards (or directory of services) for services and facilities made available to the IFs, the National Olympic Committees, Rights-Holding Broadcasters (as defined in Section 54a above), Olympic sponsors/suppliers/licensees and other members of the Olympic family are kept as low as reasonably possible. All rate card prices, including related terms and conditions, shall be subject to the prior written approval of the IOC. The final rate card(s), as approved by the IOC, shall not be subject to change without the prior written approval of the IOC.

63. Paralympic Games

The 2022 Paralympic Games shall be organised by the OCOG approximately two weeks following the conclusion of the Games. The 2022 Paralympic Games shall be organised in accordance with the relevant provisions contained in the Host City Contract Detailed Obligations and, in particular, with the ‘Host City Contract Detailed Obligations - Paralympic Games’ and with the agreement to be concluded between the IOC and the IPC with regards to the 2022 Paralympic Games (the ‘IOC/IPC Agreement’). The services provided to the participants in the 2022 Paralympic Games should be based upon similar principles to those applicable to the Games. The planning of the 2022 Paralympic Games should be integrated by the OCOG from the early planning stages of the Games.

The OCOG shall pay to the IPC a lump sum (to be reflected in the IOC/IPC Agreement) of seven million five hundred thousand United States Dollars (US$ 7’500’000) in consideration for the following rights relating to the 2022 Paralympic Games:

i. worldwide broadcast rights;
ii. worldwide ticket sales rights; and
iii. marketing rights for exercise in the territory of the Host Country.

Pursuant to the IOC/IPC Agreement, the IPC will have an option to retain the broadcast rights relating to the 2022 Paralympic Games and, in that respect, the Parties agree to the following:

i. Whether or not the IPC exercises the option to retain the broadcast rights relating to the 2022 Paralympic Games, (a) the host broadcasting organisation for the Games (i.e. OBS) shall also be the host broadcasting organisation for the 2022 Paralympic Games, and (b) when structuring and undertaking the granting of the broadcast rights, the OCOG or the IPC (as applicable) shall ensure that such plans are consistent with those of the IOC relating to coverage of the 2022 Paralympic Games on official media platforms;

ii. In case the IPC exercises the option to retain the broadcast rights relating to the 2022 Paralympic Games, (a) the IPC shall bear the costs of the host broadcasting organisation in relation to the 2022 Paralympic Games and (b) the aforementioned lump sum of seven million five hundred thousand United States Dollars (US$ 7’500’000), to be paid by the OCOG to the IPC, shall be reduced by an amount to be determined and agreed upon between the IPC, the IOC and the OCOG; and

iii. In case the IPC does not retain the broadcast rights relating to the 2022 Paralympic Games, the OCOG shall bear the costs of the host broadcasting organisation in relation to the 2022 Paralympic Games.
The Parties agree that the 2022 Paralympic Games shall be organised taking into account the number of seven (7) sports and a target number of eight hundred and fifty (850) athletes.

The OCOG, along with the IPC, shall assume the responsibility for the planning, organising, financing and/or staging of the 2022 Paralympic Games. Should there be any dispute between the IPC and the OCOG pursuant to this Contract or pursuant to the IOC/IPC Agreement which is unable to be resolved between the OCOG and the IPC, such dispute shall be submitted to the IOC Executive Board for a final, non-appealable resolution. Similarly, should any issue of concern be raised by the IOC Executive Board because of a potential impact on the organisation of the Olympic Games, which is unable to be resolved between the IOC, the IPC and/or the OCOG, such issue shall be addressed in accordance with the decision of the IOC Executive Board. The IOC assumes no responsibility of any kind with respect to or deriving from any aspects of the planning, organising, financing and/or staging of the 2022 Paralympic Games.

64. Technology

a. Games Technology

“Games Technology” shall refer to certain technology devices, systems and processes, now existing or hereafter devised, used in the planning, organising and staging of the Games, and including, inter alia:

i. technology infrastructure, such as telecommunications wired and wireless networks, data centres, telecommunications equipment (radios, telephones, etc.), networking equipment, computing infrastructure (PCs, servers, handheld devices, etc.), timing, measuring and scoring systems, display systems, public address systems, televisions, photocopiers, fax machines, photographic equipment and developing laboratories; and

ii. information systems, hardware and software, deployed over such technology infrastructure, the Internet or mobile platforms.

The City, the NOC and the OCOG acknowledge the importance of the Games Technology for the successful planning, organising, financing and staging of the Games and agree that the OCOG shall plan, provide and implement all Games Technology at no less than the then-current industry standard(s) for other major sporting events for each applicable technology. The OCOG shall bear all costs in connection with Games Technology.

The IOC reserves all rights relating to Games Technology, including without limitation all commercial rights, as well as the choice of content and technical solutions and their implementation. The OCOG agrees to comply with all the IOC’s requirements in relation to Games Technology, as communicated by the IOC from time to time. The selection of Games Technology suppliers by the OCOG, as well as the conclusion of any agreement with such suppliers, is subject to the prior written approval of the IOC. The OCOG shall ensure that all such agreements require its technology suppliers to perform the following:

i. regularly update the IOC and relevant third parties designated by the IOC regarding the progress of the provision of services and/or products;

ii. provide the OCOG and the IOC, within six (6) months after the conclusion of the Games, with a written report describing in detail the services and/or products actually delivered during the preparation and the staging of the Games; and
iii. upon request from the OCOG or the IOC, prepare and participate, at supplier’s cost, in meetings, workshops, debriefings and/or other related activities concerning the transfer of knowledge.

The OCOG shall also ensure that, upon request from the IOC, Olympic identity and accreditation cards (referred to in Section 12 above), allowing free access to all locations where Games Technology will be operated, shall be provided to technology experts and suppliers assisting the IOC and Organising Committees for Olympic Games subsequent to the Games. Further details regarding Games Technology are contained in the “Host City Contract Detailed Obligations - Technology”.

b. Open network policy

The OCOG must coordinate with the competent Host Country Authorities to ensure that, from the day of the opening of the Olympic Village until the end of the Paralympic Games, an open network policy will be implemented in and around all Key Olympic Venues, transport hubs and other sites used in relation to the Games. The IOC will communicate to the OCOG, at least two years before the scheduled commencement of the Games, a list (which may be updated) of major social media channels, online media outlets, websites and accredited media’s platforms that must be made accessible to all Games participants and spectators as part of this open network policy.

65. Olympic Results and Information Services

The OCOG shall provide results and information services, in accordance with the standards contemplated in the Olympic Results and Information Services (“ORIS”) and Olympic Data Feed (“ODF”) requirements, a copy of which has been provided by the IOC to the City and which forms an integral part of this Contract. The ORIS and ODF requirements shall be updated by the IOC, in cooperation with other members of Olympic family to address the new requirements and technology developments. The OCOG shall pay part of the costs of updating the ORIS project in accordance with the cost-sharing principles determined by the IOC.

Subject to any terms and conditions determined by the IOC, including without limitation the service fee which may be charged by the OCOG to certain categories of recipients, results and information services shall be made available for transmission, in a format to be determined by the IOC:

i. through OBS and at the OCOG’s cost, to the Rights-Holding Broadcasters (as defined in Section 54a above); and

ii. by the OCOG, to the international news agencies recognised by the IOC, accredited media, IFs, the National Olympic Committees and other persons and entities designated by the IOC.

66. Users’ Databases Created by the OCOG

The OCOG shall ensure that, to the fullest extent permitted by applicable laws, all users’ data collected and processed as well as all users’ databases created, by or on behalf of the OCOG in relation to spectator experience, digital media and Olympic torch relay (as well as other OCOG functional areas, if requested by the IOC) can be used free of charge and without any requirement of further consent or authorisation by the concerned data subjects, by the IOC (or third parties authorized by the IOC), for the promotion of the Olympic Movement, including after the dissolution of the OCOG. The OCOG shall coordinate with the IOC and take all necessary measures to that effect, including in particular submit to the IOC for prior approval all relevant privacy policies, terms of use or similar contractual terms.
67. **Cooperation with IOC’s suppliers**

The IOC reserves the right to choose suppliers to cover one or more areas of the services and other requirements described in this Contract, including in the fields of broadcasting, support services to Rights-Holding Broadcasters (as defined in Section 54a above) and other media personnel at the Games and Games Technology (as defined in Section 64 above). The OCOG hereby agrees to work with these suppliers to define, develop, implement, test and operate the appropriate solutions to ensure the best possible level of service and in particular a “state of the art” coverage of the Games, to the satisfaction of the IOC. The OCOG agrees to fulfil all obligations on its part, as defined in the agreement between the IOC and these suppliers, and to enter into appropriate agreements with such suppliers, as may be required by the IOC.
XI. Termination

68. Termination of the Contract

a. Termination Events

The IOC shall be entitled to terminate this Contract and to withdraw the Games from the City, the NOC and the OCOG if:

i. the Host Country is at any time, whether before the scheduled commencement of the Games or during the Games, in a state of war, civil disorder, boycott, embargo decreed by the international community or in a situation officially recognised as one of belligerence or if the IOC has reasonable grounds to believe, in its sole discretion, that the safety of participants in the Games would be seriously threatened or jeopardised for any reason whatsoever;

ii. any covenant of the Government (as referred to in Section 5 above) is not respected;

iii. the Games are not celebrated during the year 2022;

iv. there is a violation by the City, the NOC or the OCOG of any material obligation pursuant to this Contract, the Olympic Charter or under any applicable law; or if

v. there is any material uncured breach of Section 74 below.

b. Procedure

Should the IOC elect to terminate this Contract and withdraw the Games, it shall (provided there is no need for urgent action, as determined by the IOC in its sole discretion) proceed as follows:

i. if the IOC determines that a termination event set forth in Section 68a above has occurred or is occurring (or is reasonably likely to occur), it shall be entitled to put the City, the NOC and the OCOG, jointly and/or severally, on notice, by registered mail, telefax (with confirmation copy sent by registered mail) or special courier with acknowledgement of receipt, and to call upon any or all of such parties to remedy or cause to be remedied the contingency(ies) specified by the IOC within sixty (60) days of the date of such notice provided, however, that if, on the day on which such notice is sent by the IOC, the period remaining until the date of the scheduled commencement of the Games is less than one hundred and twenty (120) days, the above-mentioned sixty (60) days deadline shall be reduced to one half of the number of days running from the date on which such notice is sent until the date of the scheduled commencement of the Games; and

ii. if, following a notice served in accordance with Section 68b sub-paragraph i) above, the contingency(ies) ascertained by the IOC has (have) not been remedied to the reasonable satisfaction of the IOC within the deadline set forth in the said paragraph Section 68b sub-paragraph i), the IOC shall then be entitled, without further notice, to withdraw immediately the organisation of the Games from the City, the NOC and the OCOG and to terminate this Contract with immediate effect, without prejudice to the IOC's right to claim any and all damages and any other available rights and remedies.
c. Waiver of Claims and Indemnification

In case of withdrawal of the Games by the IOC, or termination of this Contract by the IOC for any reason whatsoever, the City, the NOC and the OCOG hereby waive any claim and right to any form of indemnity, damages or other compensation or remedy of any kind and hereby undertake to indemnify and hold harmless IOC Indemnities (as defined in Section 10 above) from any third party claims, actions or judgements in respect of such withdrawal or termination. It is the responsibility of the OCOG to notify all parties with whom it contracts of the content of this Section 68.

Unless expressly stipulated otherwise in this Contract, all obligations of the City, the NOC and/or the OCOG pursuant to this Contract, shall be at their expense.

71. **Delegation by the IOC**

The IOC may delegate, at its sole discretion, authority for the implementation of this Contract to such person(s) or entity(ies) as it may designate from time to time.

72. **Assignment by the City, the NOC or the OCOG**

The City, the NOC and the OCOG shall not assign any rights or obligations under this Contract or the Olympic Charter, in whole or in part, without the prior written approval of the IOC in each instance.

73. **Unforeseen or Undue Hardship**

Should any provision of this Contract give rise to undue hardship affecting the OCOG, which could not have been foreseen at the date of execution hereof, the OCOG may request the IOC to consider such changes as may be reasonable in the circumstances, provided that such changes shall not adversely affect either the Games or the IOC and, provided, further, that any such changes shall be a matter of discretion to be exercised by the IOC, it being understood and agreed that the IOC shall not be obligated to consider, agree to or otherwise accommodate any such changes.
74. Enactment, Amendment or Entering into Force of Law

Should any law, rule or regulation in the Host Country be enacted or amended or enter into force after the date of the visit by the IOC Evaluation Commission to the City, and should any such enactment, amendment, or entering into force result in adverse consequences for the IOC, the IFs or the National Olympic Committees – financial or otherwise – compared to the previously existing situation, then the City, the NOC and the OCOG shall take all appropriate steps to ensure, and shall ensure, that the IOC, the IFs and the National Olympic Committees are not affected by such adverse consequences.

75. Relationship of the Parties

This Contract does not constitute either of the parties hereto the agent of any of the other parties nor create a partnership, joint venture or similar relationship between any of the parties.

76. Resolution of Disputes between OCOG and the Olympic Family

Should any dispute arise pursuant to this Contract between, on the one hand, the City, the NOC and/or the OCOG and, on the other hand, any member(s) of the Olympic family and, in particular, the IFs or the National Olympic Committees, which dispute cannot be resolved amicably between the parties concerned, such dispute shall be submitted to the IOC for final resolution.

77. Languages

All information and documentation produced in relation to the planning, organising, financing and staging of the Games (e.g. publications, signage) shall be in English and French, the official languages of the IOC, unless expressly provided otherwise in writing by the IOC. The OCOG shall submit to the IOC its translation policy, to be applicable upon the occasion of the Games, not later than one (1) year prior to the scheduled commencement of the Games.

All information and documentation submitted to the IOC pursuant to this Contract shall be submitted in English and French. The IOC may agree, at its sole discretion, to a summary in English and/or French, as the case may be. All agreements requiring the approval of the IOC must be submitted to the IOC in at least English or French and, insofar as the IOC is concerned, the English or French version shall prevail. The English version of this Contract shall prevail.

78. Olympic Charter

For the purposes of this Contract, all references to the Olympic Charter mean references to the Olympic Charter in force upon the conclusion of the 128th Session in Kuala Lumpur, including its Rules and Bye-Laws. Notwithstanding the foregoing, the IOC reserves the right to amend the Olympic Charter with respect to governance of the Olympic Movement and for such purposes the version of the Olympic Charter which is amended from time to time shall prevail, provided, that if any such specific amendment or modification has a material adverse effect on the financial rights or obligations of the City, the NOC or the OCOG hereunder, the mechanism described in Section 7 above shall apply.
79. **Authorisation of Signatories**

Each of the parties hereto represents and warrants that the persons executing this Contract on its behalf have been duly and properly authorised to execute this Contract and that all necessary formalities in that regard have been duly and properly performed.

80. **Headings**

The headings given to each section of this Contract are for convenience only. They shall not be deemed to affect in any way the meaning of the provisions to which they refer.

81. **Counterparts**

This Contract may be signed and accepted in counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same instrument.

82. **Interpretation**

Unless the context implies otherwise, words importing the singular number only shall include plural and vice versa and words importing the masculine gender shall include the feminine gender and words importing persons shall include firms, associations, partnerships, limited liability companies and corporations and any other entity and vice versa. As used in this Contract, the term “including” (or variants of such term) shall be deemed to be followed by the term “but not limited to”.

83. **Precedence**

In case of conflicts or discrepancies in relation to the interpretation or implementation of this Contract, such conflicts or discrepancies shall be determined by applying, in the following order of preference: first the terms defined herein; second the Host City Contract Detailed Obligations referred to in Sections 6 and 69 above; third the Olympic Charter and applicable laws.

84. **Non-Waiver**

A waiver of any provision of this Contract or of the Olympic Charter or any breach thereof in one instance shall not be construed as a waiver of that provision or breach thereof in the future. Other than as may be expressly stated herein, all rights and remedies of the parties hereto are cumulative and not in limitation or restriction of any other right or remedy.

85. **Unenforceability of a Provision**

The determination that any provision of this Contract is void, invalid or unenforceable shall not affect this Contract, all of said provisions being inserted conditionally on their being considered legally valid and in compliance with the Olympic Charter, and this Contract shall be construed and performed in all respects as if such void, invalid or unenforceable provisions were omitted insofar as the primary purpose of this Contract is not frustrated.
86. No Third Party Beneficiaries

For the avoidance of doubt, in no event shall the OCOG, the NOC or the City constitute or be treated as a third party beneficiary for purposes of the Broadcast Agreements (as defined in Section 54a above) or sponsorship agreements or have the right to enforce any provision thereof directly against the IOC.

87. Confidentiality

Each of the parties hereto undertake to keep confidential all data, documents and information provided to such party by any other party in connection with the negotiation, execution and performance of this Contract, subject to the following terms and conditions:

i. each of the parties shall have the right to publicly disclose the present Contract (including the Host City Contract Detailed Obligations referred to in Sections 6 and 69 above) or otherwise communicate its content to third parties;

ii. each of the parties shall have the right to disclose any data, documents and information referred to in, or otherwise related to, this Contract (a) to the extent that such disclosure is necessary for financial, legal or governmental proceedings, and (b) after notifying the other Parties in writing, in a timely manner, of such intended disclosure and providing details in relation to the concerned financial, legal or governmental proceedings; and

iii. each of the parties shall have the right to make a limited disclosure of any data, documents and information referred to in, or otherwise related to, this Contract, on a need-to-know basis, to its affiliates, licensees, suppliers, contractors or other persons, where necessary to enable it to exercise its rights hereunder and provided that all such persons or entities to whom disclosure is made agree in writing to respect this Section 87.

88. Further Documents; Power of Attorney

Each of the City, the NOC and the OCOG agrees that it will hereafter execute and deliver any further agreements, documents and instruments that is requested by the IOC in order to carry out the intent of this Contract or is otherwise necessary or desirable to effectuate the arrangements contemplated hereby.

Each of the City, the NOC and the OCOG hereby appoints the IOC or its representative as its attorney-in-fact (which appointment is irrevocable and coupled with an interest), with full power of substitution and delegation, to execute any and all assignments and related documentation consistent herewith, and to perform any and all such other acts consistent with this Contract, that such party fails to execute or perform promptly upon the request of the IOC.

89. Governing Law and Resolution of Disputes; Waiver of Immunity

This Contract is governed by Swiss law. Any dispute concerning its validity, interpretation or performance shall be determined conclusively by arbitration, to the exclusion of the ordinary courts of Switzerland, of the Host Country or of any other country; it shall be decided by the Court of Arbitration for Sport in accordance with the Code of Sports-Related Arbitration of the said Court. The arbitration shall take place in Lausanne, in the Canton of Vaud, Switzerland. If, for any reason, the Court of
Arbitration for Sport denies its competence, the dispute shall then be determined conclusively by the ordinary courts in Lausanne, Switzerland. The City, the NOC and the OCOG hereby expressly waive the application of any legal provision under which they may claim immunity against any lawsuit, arbitration or other legal action (i) initiated by the IOC, (ii) initiated by a third party against the IOC, particularly as per Section 10 above, or (iii) initiated in relation to the commitments undertaken by the Host Country Authorities as reflected in Section 5 above. Such waiver shall apply not only to the jurisdiction but also to the recognition and enforcement of any judgment, decision or arbitral award. The City and the NOC agree that such actions and any other notices shall be validly served if they are addressed to the OCOG.
