ABOUT THE OSC

The IOC Olympic Studies Centre is the source of reference for Olympic knowledge. We share this knowledge with professionals and researchers through providing information, giving access to our unique collections, enabling research and stimulating intellectual exchange. As an integral part of the IOC, we are uniquely placed to provide the most accurate, relevant and up-to-date information on Olympism. Our collections cover all the key themes related to the Olympic Games and the Olympic Movement and their place within society. Discover all our collections in the [Olympic World Library](#) (OWL), a library catalogue and information portal entirely dedicated to Olympic knowledge. Among the resources you can find the official documentation of the IOC and the Organising Committees of the Olympic Games as well as publications from internationally renowned researchers.
