### INTRODUCTION

Rugby 15s appeared for the first time at the Olympic Games in Paris in 1900 and was on the programme of the 1908, 1920 and 1924 Games. This sport subsequently did not feature on the programme, but has been reintroduced for the Olympic Games in Rio in 2016 in its 7s format.

### KEY STAGES

Entry	1899: On 27 May, at the meeting of the Organising Committee for the 1900 Games, the group responsible for the Athletics Games included “rugby-football” in the list of sports on the programme of the Olympic Games in 1900 in Paris.
Removal	1924: The Olympic rugby tournament in Paris was held in May. In June, in the framework of the IOC Session, a list of sports for the Olympic programme was established, including two categories: obligatory and optional sports. “Rugby-football” was on the second list, which meant that it was up to the Organising Committee whether to include this sport.
Return to the programme	2009: At the 121 <sup>st</sup> IOC Session held in Copenhagen in October, it was decided to include rugby in the Olympic programme for Rio in 2016, with a men’s and a women’s rugby 7s tournament, each with 12 teams.

### EVOLUTION IN THE NUMBER OF TEAMS

1900: 3 teams (men’s)

1908: 2 teams (men’s)

1920: 2 teams (men’s)

1924: 3 teams (men’s)

2016-2020: 24 teams (12 men’s, 12 women’s)

### ABOUT THE OSC

The IOC Olympic Studies Centre is the source of reference for Olympic knowledge. We share this knowledge with professionals and researchers through providing information, giving access to our unique collections, enabling research and stimulating intellectual exchange. As an integral part of the IOC, we are uniquely placed to provide the most accurate, relevant and up-to-date information on Olympism. Our collections cover all the key themes related to the Olympic Games and the Olympic Movement and their place within society. Discover all our collections in the [Olympic World Library](#) (OWL), a library catalogue and information portal entirely dedicated to Olympic knowledge. Among the resources you can find the official documentation of the IOC and the Organising Committees of the Olympic Games as well as publications from internationally renowned researchers.

To learn more on the Olympic Studies Centre, consult our webpage [www.olympic.org/studies](http://www.olympic.org/studies) or write us at [studies.centre@olympic.org](mailto:studies.centre@olympic.org).
