Conferences addressing the Olympic phenomenon

2018-2020 Selection

03.12.2018

All the conferences listed in this document are organised by universities or institutions involved in the Olympic Movement and include in their programmes content analysing any aspect related to Olympism, the Olympic Games and/or the Olympic Movement with a humanities or social sciences perspective. The IOC Olympic Studies Centre updates this list every month and tries to make it as exhaustive as possible. We invite readers to keep us informed about any conference missing from the list. Please send all related information to studies.centre@olympic.org.

Thank you!
